**Umpire Performance Analysis**

- Track and examine the umpire's performance. It offers you detailed report of all umpiring decisions along with videos, statistics and filters which enables the umpire to improve & tune their decision making skills.

**Insights**

"T20s have made data analysis more complex. For instance, for a batsman, a release shot - the stroke that follows a couple of dot balls - has become very important so you have to let a bowler know what a batsman's release shot usually is..."

-AR SRIKANTH, KKR'S ANALYST
